FORD'S THE ONE FINE CAR IN THE LOW-PRICE FIELD

(Yet it costs so little to own)

JUDGED "FASHION CAR" OF 1950

Yes, Ford has again been judged "Fashion Car of the Year" by the New York Fashion Academy . . . two years in a row.

THAT'S ALL IT TAKES-10 minutes behind the wheel of a 1 '50 Ford—and you'll realize that quality has invaded the low-price field. Ford's new V-8 power will show you in a matter of seconds why America's costliest cars favor this type of engine. (But in the low-price field only Ford has it.) Yet with all its roadcommanding power, this V-8 never raises its voice.

For comfort you'll like Ford's lower, level "Mid Ship" Ride and Sofa-Wide seats: For safety, its 13-way stronger "Lifeguard" Body and 35% easier-acting King Size Brakes. And for your poeketbook's sake you'll be glad to learn you can own even a Ford V-8 for hundreds less than most "sixes" (and Ford's "Six" for even less). Yes, you'll find Ford a sound investment-low in first cost—low in maintenance and low in depreciation.
